

FROM THE ADMINISTRATOR'S DESK

Summer has arrived and we welcome the sun and the warmth that the season brings. We continue to pay very close attention to extreme heat alerts and keeping residents and team members cool during this time. I ask that everyone ensures that the windows and window coverings are closed during the noon time until 5pm to ensure the building can maintain the cooler temperatures for everyone. Also, please keep in mind to provide the residents fluids, a hat, and sunscreen when visiting outdoors to avoid any heat risk related illnesses. We will also have those items readily available on the main floor. Our Air Conditioning project continues, and we anticipate the installment of the units will be completed on the 7th floor (Via Bosco) and to move to the 6th floor (Via Luna) in the month of July. Although the individual room installment may be completed on the resident home area this does not mean that the AC in each residents room will be working at that time. I will be sure to advise you when this will commence.

We will be making some continued scheduling adjustments to the nursing schedules. This may lead to additional re-assignments specifically for the Nurse Assignments. We will be restructuring our 12 hour shifts to 8 hour shifts and this will take effect at the beginning of October. Currently the Nurse on the 2nd, 3rd and 4th floor work 12 hours and the nurses on the 5th, 6th and 7th floor work 8 hours. The primary reason for this change is to increase staffing availability to allow for planned absences (i.e. vacation, paid holidays, etc.) and unplanned absences (i.e. personal leaves of absences, illness, Union leaves, etc.) We will do our best to maintain consistency of care for the residents.

Sincerely,
Sonia Roul

CELEBRATING ITALIAN HERITAGE MONTH!

Italian Heritage Month is an opportunity to honour the history, culture, and contributions of Italian - Canadians. Italian Heritage Month is a time to remember the hardships faced by Italian-Canadians who struggled to immigrate to Toronto, build their lives and businesses, and contribute to our city.

This year at Villa Leonardo Gambin our residents enjoyed several traditional Italian cuisine dishes. Each week residents were served a different meal to honour Italian Heritage Month. We kicked off the celebration, on June 1st, 2022 with traditional Italian entertainment, spедуcci and Brio. On the second week residents were served antipasto dishes filled with taralli, olives, cheese, artichokes, capocollo, and bocconcini. On week three residents enjoyed penne with rose sauce and a mushroom risotto paired with a glass of red wine. Lastly, residents ended off the month with a Lemoncello shot paired with a lemon cake.

JULY BBQS

It's BBQ Season at VLG! Each floor will enjoy a delicious BBQ lunch hosted by the Recreation Team in the MPR at 12:00pm. Family and friends are welcome to attend (maximum of 2), we just ask that you please purchase your ticket in advance with Reception as we will not be accepting orders on the day of. Please see the last day you may place your order in red below. A \$10.00 fee applies

SUNSHINE IS THE BEST MEDICINE

The residents and team members at Villa Leonardo Gambin have been anticipating this time of year and are looking forward to experiencing the nicer weather! Recreation teams are busy preparing outdoor spaces and planning opportunities for residents to enjoy the fresh air. As we know, there are numerous benefits to spending time in the sunshine. Here are a few:

- Decrease stress levels
- Increase levels of Vitamin D
- Strengthen the immune system
- Decrease blood pressure and heart rate
- Improves sleep
- Supports bone health
- Help with energy and improves ability to concentrate

In order to promote fresh air and sunshine, recreation teams will be encouraging residents to participate in recreation experiences in outdoor settings such as courtyards, gardens, and balconies. The nicer weather allows for residents to socialize in an alternative environment and feel connected to others. The outdoors also provides opportunity for residents to have all of their senses engaged. Recreation teams will use these outdoor settings to ensure residents enjoy the colours, sounds and fragrances of care community gardens and balconies. We hope that families are also able to engage in the seasonal experiences offered and to enjoy care community outdoor spaces with their loved ones.
