FROM THE ADMINISTRATOR'S DESK

May Greetings to everyone,

We have a number of improvement projects underway at Villa Leonardo Gambin which includes Activity Room renovations for the 5th, 6th and 7th floors and the Air Conditioning Project which has just begun starting on the 7th floor and will continue well into the summer months. These will enhance the residents experience and living environment which is exciting however this may come with a temporary disruption to residents in various ways. We will be working hard to ensure these projects are safe and have minimal impact on the residents daily living.

We would like to honour and celebrate all the individuals celebrating Mothers Day on May 8th. This includes all the mothers, grandmothers, aunts, sisters, and daughters. In addition, a Happy Nursing Week from May 6th – 12th to all the clinical team members here at Villa Leonardo Gambin and beyond.

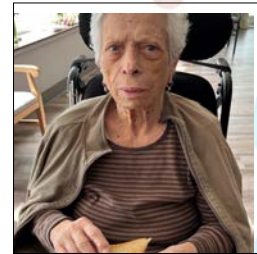

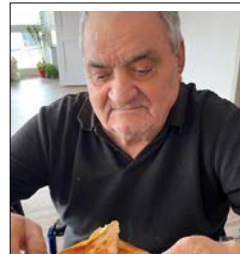

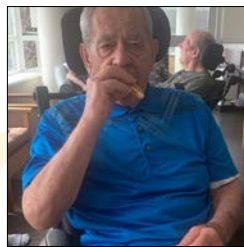

Blessings to all,

Sonia Roul

SPRING FEVER IS HERE!

Isn't it a wonderful feeling when we see the buds on the trees sprouting out for the first time? When we hear the beautiful songs of the birds enjoying a spring shower? Or even when the beautiful colours of the flowers and the green grass start to show their new colours? It's a time of re-birth and awakening. A time to open our hearts, minds and souls to happier thoughts and feelings, feelings of warmth, and shedding away any winter blues.

After a long winter season inside, spring is an opportunity rejuvenate our overall wellbeing and heighten wellness. We encourage you to enjoy the garden outdoors, safely soak up the warm sunshine and take a walk with a friend. It may also be a great time to remove, declutter and discard any unwanted things we have accumulated over the years.

Look out for upcoming events in your monthly calendar. Picnics and trips to local greenhouses are a great way to engage in the season. Spring breathes new life into the world around us and we encourage you to take advantage of both the planned and unscheduled opportunities that await!
